

WYCHWOOD TENNIS CLUB 2011 CLUB CHAMPIONSHIP

New Format!!

This year we have changed the format for the tournament and instead of a ‘knock-out’ tournament, you will be entered into a ‘box’ and you will play every player in your box. This will mean that all players will get more matches. The winners of each box will play on final’s day. We hope you like the idea of this new format – hopefully it will encourage you to enter the tournament. You can meet new players and enjoy some competitive tennis throughout the season.

There will be a deadline set for each match to be played throughout the summer. The highlighted person/pair will arrange the match and must give their opponent(s) the option of 3 match dates within the time the round must be played by. If the match is not played by the given date then please let us know. **If we have not been informed of any problems then we will toss a coin to decide which pair will go through to the next round. As organisers, we will need to enforce this rule rigidly in order for the matches to be completed in time for Final’s day.** If you are injured and cannot play before the given date then your opponents will have to go through to the next round. **Final’s Day is on Saturday 17th September 2011.**

The winning person/pair are responsible for writing their name(s) on the sheet, on the club notice board. Can you please write the score for the match as well – this will be important when we total up all the games/sets at the end.

We would be grateful if you could send your entry form back to us as soon as possible.

Closing date for entries will be Monday 25th April. (Please note that for organisational purposes late entries cannot be accepted)

Good Luck!!

Giles and Rachel Henderson
